ELITE MAGICIAN & MENTALIST

WEDDINGS | RATE CARD

1 Manifesto

Your Wedding Party will be **MORE**.

More than just a Reception with Prosecco and drinks on arrival.

More than just a meal and some funny speeches.

More than a Wedding band followed by a DJ...followed by a hangover!

No.

Your Wedding will be *Special. Magical. Astonishing and Mind Meltingly Awesome* for every guest that attends, young or old.

It will be **the** wedding party that everybody *still* raves about years later.

That type of envy-inducing, "*Wish you were there!...Best. Wedding. Ever!*" , type of **legendary** Wedding party that every couple desires.

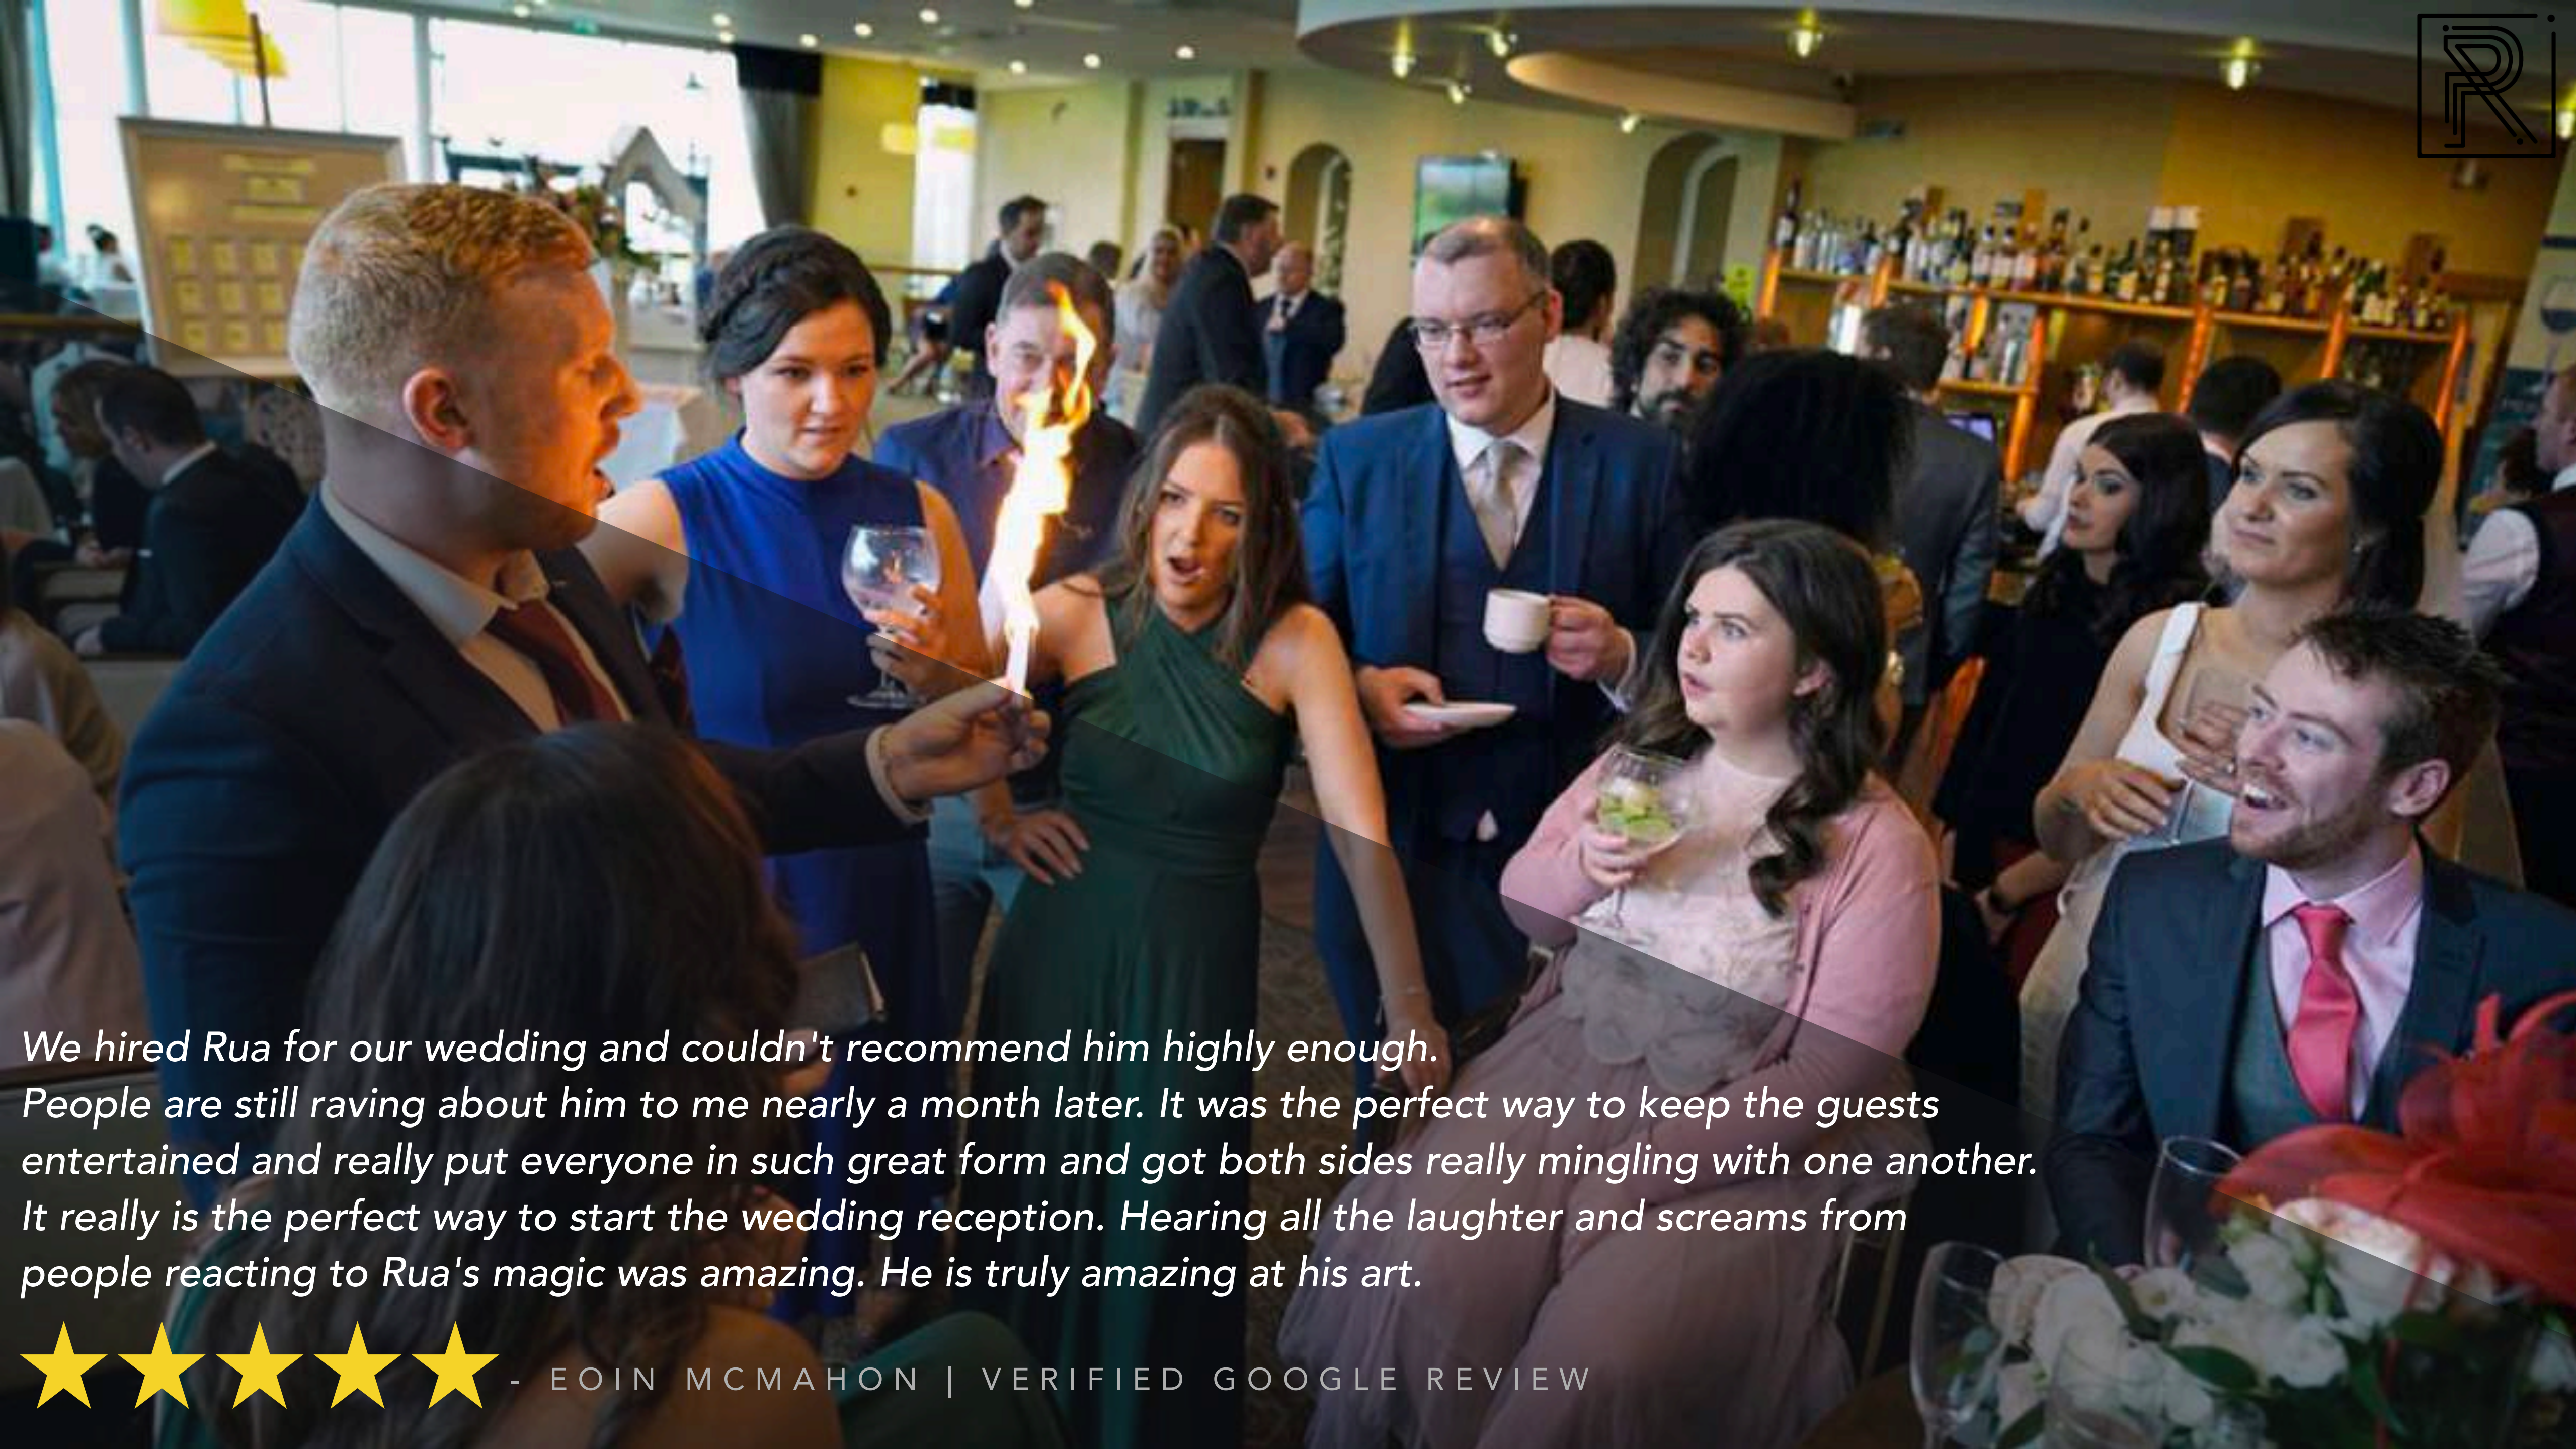

Welcome to the Elite level of Magical Entertainment for Weddings, where couples come when they need something **More** for their guests.

Something Professional. Something Astonishing. Something **Extraordinary**.

Your search for Extraordinary starts, and ends here.

I'll handle the entertainment so you can sit back, relax and enjoy a stress-free Wedding day that you'll never forget.

We hired Rua for our wedding and couldn't recommend him highly enough. People are still raving about him to me nearly a month later. It was the perfect way to keep the guests entertained and really put everyone in such great form and got both sides really mingling with one another. It really is the perfect way to start the wedding reception. Hearing all the laughter and screams from people reacting to Rua's magic was amazing. He is truly amazing at his art.

2 ABOUT

THE DECEPTION ARTIST

Dubbed as '**A Master of Live Deception**' by the *Irish Theatre Magazine*, Rua is a performer who combines Magic, Suggestion, Psychology, Misdirection and Showmanship in order to seemingly predict and control Human behaviour, as well as performing mind bending feats of Magic, Sleight of Hand and Mentalism.

Rua began his professional career 14 years ago, later arriving on TV with a ground breaking ten part Magic, Mentalism and Escapology series on Ireland's TG4. He has since gone on to perform on live TV twelve times with featured performances on shows like *The Late Late Show*, *The Saturday Night Show*, *TODAY Live*, The BBC, and most recently on Virgin Media One and FOX TV's '*The Big Deal*'.

He has also had two sold out runs of one-man theatre shows in the Dublin Fringe Festival with '*Secrets for Sale*' and '*Of Rogues and Knaves*'.

He is an award winning entertainer who has performed at over 1000 Weddings, and now limits his Irish Wedding engagements to a hand-picked few in the Leinster region.

At home, he's a quiet 34 year old who lives with his Catalan girlfriend and has a passion for health and cinematography. He dislikes olives and snakes, and his parents wish he would have been a Doctor instead.

THE LATE LATE SHOW

*"ABSOLUTELY INCREDIBLE!
I TRULY THINK HE'S AMAZING."*

3 Bespoke Weddings

There are approximately 20,000 weddings in Ireland every year, and I want yours to be more than just a number. It will be the most special day of your life, which means it's incredibly special to me as well.

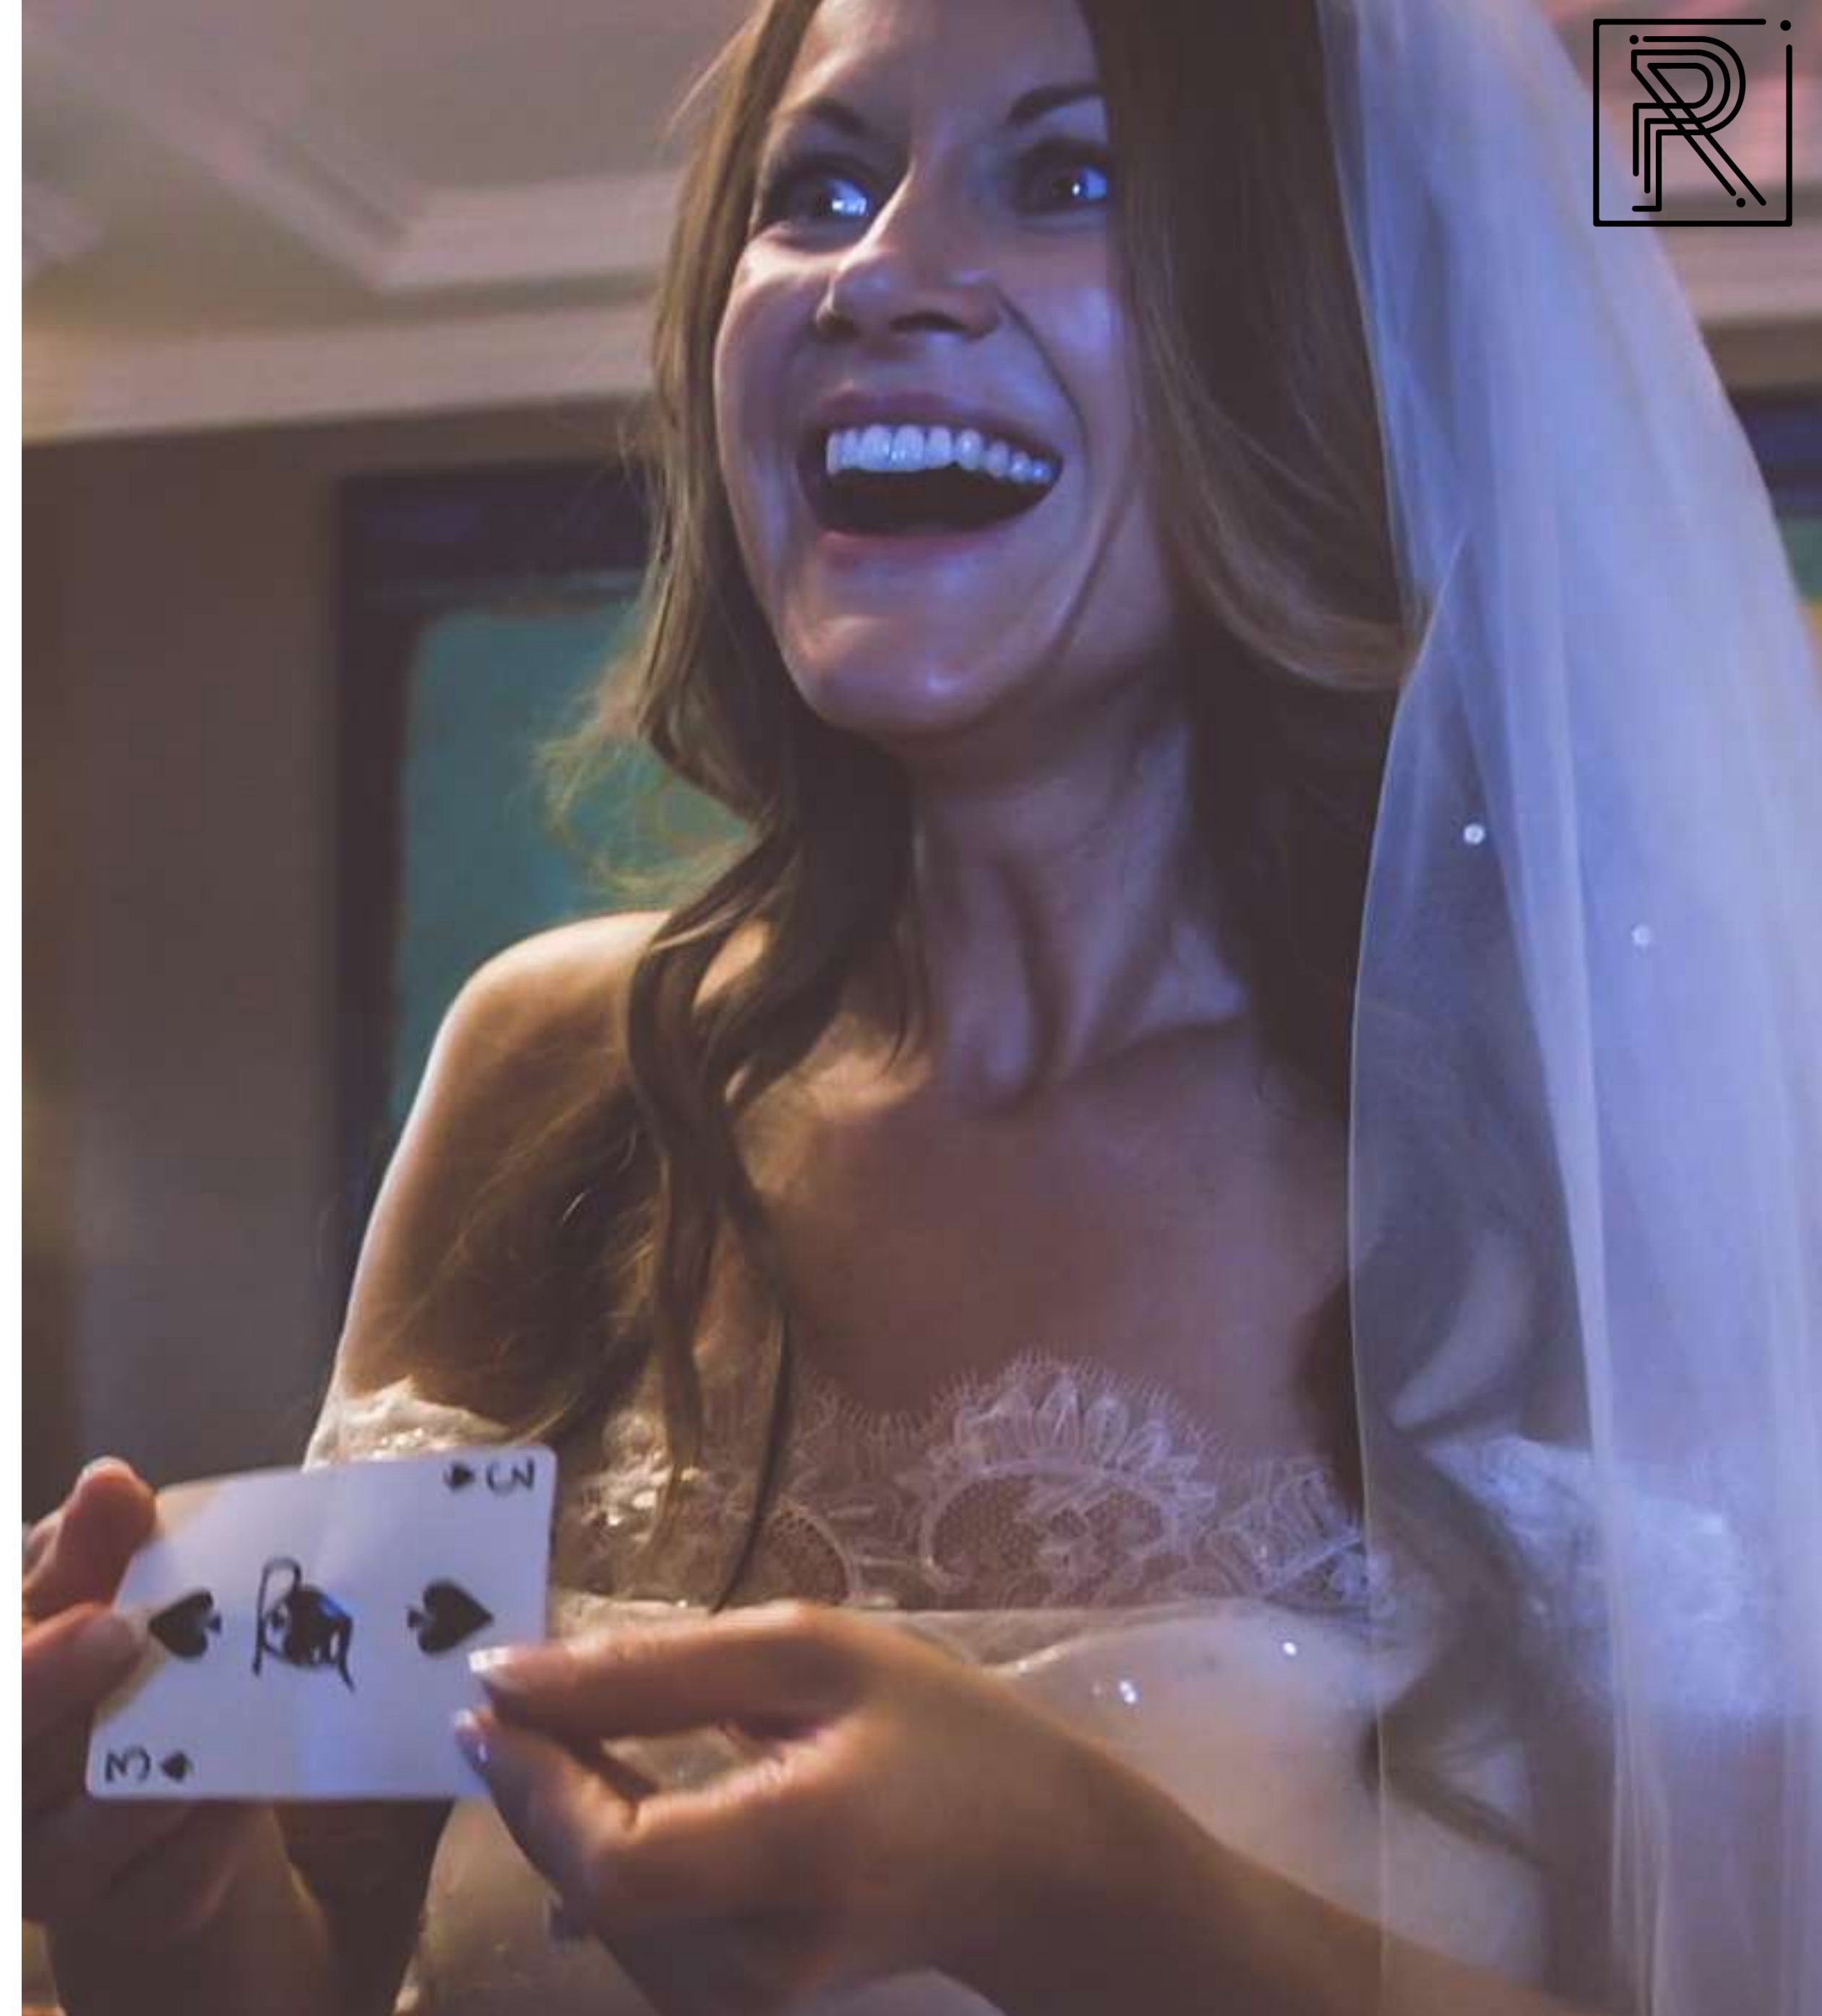

It will likely only ever happen once in your life, and you have one shot at making it the perfect day. I'll give you my guarantee that every guest will have an *incredible* time, and I'll relieve you of all your worries that your wedding will be just like everybody else's. It won't be, because you'll have me there.

I'll chat with you in advance to learn as much as I can about your friends and family. I want to know about the funky granny who has travelled the world and loves a drink, the weird uncle who tells inappropriate jokes and loves gambling, and the skeptical father who hates magic, but loves Man Utd.

Your guests are now my most valued audience, and I'll do everything it takes to blow them away and ensure that yours is the best Wedding they've ever been to. They'll be my V.I.Ps for the day, second only to you.

Each Wedding is specially selected and reserved only for couples who I believe are determined to make their day as unique and as memorable as possible for all of their attending guests.

I can't wait to work with you on yours!

*"HOW?..UNBELIEVABLE. YOU'RE SLICK,
TALENTED, AND YOU'RE GOT WHAT IT TAKES.
THAT'S FOUR YES'S FROM US YOUNG MAN!"*

Meal Only Entertainment

SILVER
PACKAGE

MEAL ONLY ENTERTAINMENT: €1,250

Typically the 'bell' for dinner will be rung at approximately 5.30pm, signalling for guests to leave the reception area and make their way into the dining room. They look at the table plan and slowly take their seats.

As soon as the tables have filled up with guests, I arrive and introduce myself as their table-side entertainment for the meal and immediately begin performing for the entire table. This continues until the desserts are finished.

There's mind reading, incredible magic and some fantastic laughs along the way.

As soon as the food is brought out, I pause and leave the dining room to give them time to enjoy the menu you've chosen for them, and to stay out of the buzzing waiters and waitresses way!

As soon as every person at a table has finished their meal, I can begin again, performing world class magic and mentalism that will make all of your guest's jaw's drop!

This creates an incredible atmosphere that's filled with fun, magic and lots of loud laughter and applause from all of the tables as I work.

Of course it all ends with me performing for your guests at the top table, which I always save some extra special magic for too.

Reception Entertainment

GOLD
PACKAGE

2 HOURS OF CLOSE UP ENTERTAINMENT €1,000 *Most Popular*

Your Wedding Reception is one of the most important parts of your entire day (*after the part where you both say "I DO" of course!*).

This is the first time that your guests will be together and it will set the tone for the rest of the celebrations.

It's their first taste of the incredible day that you've put months of planning and thousands of euros into. After all, we only get one chance at a first impression, right?

A lot of your guests won't have met each other before and oftentimes need something to break the ice to get them chatting and laughing together. As you'll be busy having your photographs taken outside, you won't be on hand to make the introductions and get them chatting.

So, this is where I come in!

As soon as the guests arrive, I begin to mix and mingle amongst them. I introduce myself and explain that you've brought me along to provide a type of entertainment that they'll have never seen in their lives before.

I perform a selection of my very best material and slowly pull nearby guests together into the group to get them involved, and most importantly, interacting and laughing with each other.

I make personal items vanish and reappear, I produce cards that are suddenly ablaze with fire, and I read their most private inner thoughts in an impossible and truly astonishing way.

After that, I leave them together with something incredible to talk and smile about. People who were strangers a moment ago are now bound together by a really cool experience that they'll talk about throughout the Wedding.

Full Wedding Entertainment

EPIC
PACKAGE

5 HOURS - RECEPTION & MEAL ENTERTAINMENT: €2,000

This is the EPIC package that means you'll have me booked for your entire Wedding Day.

It starts with the Reception. Non-stop Magic and Mind Reading for two hours to break the ice amongst the guests, and set the tone for the entire day.

My performances then continue at the tables throughout the entire meal, taking a break only between courses to allow the guests to really enjoy their food, before coming back out again like a hurricane of table-side magic making its way across the dining room to bursts of applause from each table I've just left.

Lastly, the 'down time'. The most overlooked period of the Wedding Day.

The speeches are over, and the teas and coffees are being poured as the last few bites of dessert are being eaten. Guests have itchy feet and are moving around the room in search of 'the craic'.

Having me on hand makes sure that guests are completely entertained all the way up until the music begins whether they're walking around or sat at a different table. Some guests will want to see more, or will bring me to their friends table to do something special. Anything goes!

Either way, I'll be there to keep the party going until you set foot on the dance floor and blow everybody away with your 'First Dance'.
